Amendment No. 1
Solicitation No. RFP-9054-004-004-WD
Hunters Point Shipyard Site
Drilling Services

This amendment is issued to provide the site visit Sign In Sheet and to provide a revision to the Statement of Work.

Section 2.2.2 MIP Survey, Paragraph three is revised to read:

The Subcontractor will provide a report containing the boring logs, analytical results of the MIP survey, a description of the equipment used to perform the MIP survey, a description of any problems or equipment malfunctions during the survey, and *native data files that CDM can use to prepare a 3-dimensional representation of contamination distribution and lithology (NOTE: the Subcontractor will not be required to produce the 3-dimensional model)*. This report is due to CDM within 10 working days after completion of the MIP survey.

Firms shall acknowledge receipt of this Amendment on Page BID-1 of the Price Sheets.

Proposals are due by 4:00 p.m. prevailing VA time on March 15, 2010.
